Introduction 1

Categories used to Describe One Health Activities and Programs 2

Catalog Entries

ADPC Zoonotic Diseases Project 3

Afrique One 4

Animal & Human Health for the Environment And Development (AHEAD) 5

Asia-Europe Foundation (ASEF) Public Health Network 6

Asia-Pacific Institute of Tropical Medicine and Infectious Diseases (APITMID) 7

Asia Pacific Strategy for Emerging Diseases (2010) 8

Asian Partnership on Emerging Infectious Disease Research 9

Australian Wildlife Health Network (AWHN) 10

Calvin Schwabe One Health Project 11

Caribbean EcoHealth Programme 12

Centers for Disease Control and Prevention (CDC) One Health Office (OHO) 13

Caribbean EcoHealth Programme 14

Centre de coopération internationale en recherche agronomique pour le développement (CIRAD) 15

The CGIAR Research Programme on Agriculture for Improved Nutrition and Health 16

Chatham House Centre on Global Health Security (CGHS) 17

Connecting Organizations for Regional Disease Surveillance (CORDS) 18

The Critical Ecosystem Partnership Fund (CEPF) 19

Cysticercosis Working Group in Eastern and Southern Africa (CWGESA) 20

DISCONTOOLS 21

EcoHealth 22

EcoHealth Alliance 23

EcoHealth Resource Centre (EHRC) 24

Emerging Pandemic Threats (EPT) 25

Environmental Genomics, Inc. (EGI) 26

Epizone 27

Farm Foundation, NFP 28

Food and Agriculture Organization of the United Nations (FAO) 29

Global Alliance for Livestock Veterinary Medicines (GALVmed) 30
Global Early Warning System for Animal Diseases, Including Zoonoses (GLEWS) 31
Global Environmental Institute (GEI) - China 32
Genes, Environment and Health Initiative (GEI) 33
Global Framework for the Progressive Control of Transboundary Diseases (GF-TADs) 34
Global Initiative for Food Systems Leadership (GIFSL) 35
Global Outbreak Alert and Response Network (GOARN) 36
Greater Mekong Region Responses to Infectious Diseases Project (GMS-RID) 37
Health & Ecosystems: Analysis of Linkages (HEAL) 38
Health for Animals and Livelihood Improvement (HALI) 39
The Highly Pathogenic and Emerging Diseases Program (HPED) 40
Integrated Control of Neglected Zoonoses (ICONZ) 41
International Livestock Research Institute (ILRI) 42
Kibale EcoHealth Project 43
London International Development Centre (LIDC) 44
Mekong Basin Disease Surveillance Network (MBDS) 45
Middle East Consortium on Infectious Disease Surveillance (MECIDS) 46
The Minnesota Model (MN Model) 47
National Center of Competence in Research North-South 48
North Carolina One Health Collaborative 49
OFFLU 50
OH-NEXTGEN 51
One Health Alliance of South Asia (OHASA) 52
One Health Central and East Africa (OHCEA) 53
The One Health Commission 54
One Health Initiative 55
Pan-African Tsetse and Trypanosomiasis Eradication Campaign (PATTEC) 56
The Program Against African Trypanosomiasis (PAAT) 57
Queensland Centre for Emerging Infectious Diseases 58
Regional Universities Forum for Capacity Building in Agriculture (RUFORUM) 59
Reunión Interamericana, a Nivel Ministerial, en Salud y Agricultura (RIMSA) 60
Savannas Forever Tanzania-Whole Village Project 61

Serengeti Health Initiative 62

Society for the Protection of Animals Abroad (SPANA) 63

South African Centre for Infectious Disease Surveillance (SACIDS) 64

Stamp Out Sleeping Sickness (SOS) 65

The STEPS Centre 66

Stone Mountain Meeting Workgroups 67

Stop AI 68

Swiss Tropical and Public Health Institute (Swiss TPH) 69

US Animal and Plant Health Inspection Service (APHIS) 70

Veterinarians Without Borders (VWB)/ Vétérinaires Sans Frontières (VSF) 71

World Health Organization (WHO) Department of Food Safety and Zoonoses (FOS) 72

World Organisation for Animal Health (OIE) 73
