DECEMBER SUPPLEMENT

Clinical Applications: New Research—Sustained, Consistent Flea Control Study

This supplement made possible by an educational grant from Elanco

Polling Place

We asked...

For how long do you
typically schedule wellness
examinations for senior
patients?

You answered:

15 minutes—31%
30 minutes—56%
45 minutes—6%
>45 minutes—6%

This month's question:

What at-home dental care do you
most commonly recommend to
your clients?

- ☐ Dental chews
- ☐ Dental diet
- ☐ Dental wipes/rinses
- ☐ Water additives
- ☐ Brushing teeth
