

Centre for Public Health and Zoonoses Symposium Human and Animal Health Research: Molecule to Population June 9th, 2011

For an agenda and more details
visit: www.ovc.uoguelph.ca/cphaz

Join us for a day of engaging presentations on animal and human health research on zoonotic disease, food and water safety, public health surveillance, antimicrobial resistance, One Health initiatives and much more!

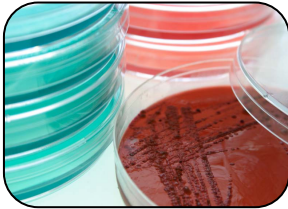

KEYNOTE SPEAKERS INCLUDE:

DR. TED LEIGHTON

Canadian Cooperative Wildlife Health Centre (CCWHC)

**WILDLIFE DISEASES AND PUBLIC HEALTH POLICY:
TWO DECADES OF EXPERIENCE AT THE CCWHC**

DR. REBECCA IRWIN

Canadian Integrated Program for Antimicrobial Resistance Surveillance (CIPARS) at the Public Health Agency of Canada

**CIPARS: WHAT IS THIS TELLING US ABOUT
ANTIBIOTIC RESISTANCE AND THE ANIMAL CONNECTION?**

DR. SCOTT WEESE

Ontario Veterinary College, University of Guelph

PETS AND IMMUNOCOMPROMISED PEOPLE

We will have poster displays to promote public health organizations and showcase public health research. Students and other scientists are invited to submit posters of their completed or on-going research. There will be poster judging and cash prizes for graduate students. CPHAZ is willing to cover the cost of printing for students.

If you would like to submit a poster,
please include this in your registration.

Please register by Friday, May 27th, 2011
To register email cphaz@uoguelph.ca
or call 519-824-4120 x54076
Please include name, affiliation, dietary needs and
poster information (if applicable) in your registration

8:30 am – 4:30 pm
Oakwood Ballroom
601 Scottsdale Drive
Holiday Inn, Guelph
