the world.

A 90-credit
degree
program
beginning
**Summer
2012**

Environmental
Health
Food Safety
Veterinary Medicine
Epidemiology
Human Disease
Zoonotic
Infections

One Health thinking seeks to include human, animal, and environmental experts in problem solving. Internationally applauded, the One Health approach is strongly endorsed by human medicine, public health, veterinary medicine, the CDC, and various other national and international institutions and organizations. We anticipate numerous future job opportunities for One Health-trained professionals.
