Kathleen F. Gensheimer, M.D.,  
MPH

Chief Medical Officer, Office of Foods and  
Veterinary Medicine, FDA

.....  
**Dr. Gensheimer** joined the FDA in 2011 in a new senior position with the Office of Foods and Veterinary Medicine--Chief Medical Officer/Director of CORE. She has overall responsibility for leadership, policy development, decision making, strategic planning, and day-to-day operations for food-related outbreaks and food incidents affecting the public health of the nation and under the purview of the FDA.
